WELCOME

ABOUT US

Long story short ... We give the best of ourselves to the task at hand.

Guardian Built and Ideal Interiors, Floors & Doors have been operating in the interior commercial construction industry since 2010. Established by John Mitzikis, who has over 15 years experience in the industry, the company has grown and expanded over the years to include our own in house team of

experienced Estimators, Contract Administrators, Construction Supervisors, Project Managers and tradespeople. All of whom are focused on delivering high quality workmanship, innovative solutions and personalised service.

OUR VALUES

The values we live by are Accountability, Reliability and Commitment. - A.R.C.

The arc is one of the strongest engineering structures you can build so it is fitting that the values Quickfit embodies in all aspects of work are reflected in the A.R.C acronym.

WHAT WE DO

Since starting in 2010, we have been working with multinational companies such as GPT, Lendlease, Westfield and JLL undertaking both commercial fit outs, deficits and make good works in their large regional assetts.

OUR SERVICES

All your interior commercial construction needs in one place. Whether it's a new shop or office or time for a refurb of your existing premises, we can help you from start to finish...

WHAT WE DO

COMMERCIAL INTERIOR FITOUT

Specialising in medical centres, office spaces, retail, food and licenced premises and health and fitness centres

CUSTOM DETAILED JOINERY

All our joinery is constructed by the team in our workshop and installed on site.

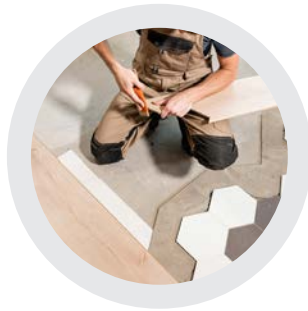

FLOORS & DOORS

Including all associated works from floor preparation to installation of carpet and other flooring. Doors and door hardware

BASE BUILDING WORKS

Including tenancy upgrades and preparation, slab scanning, concrete cutting and waterproofing.

INTERIOR CONSTRUCTION

Including all aspects of decorative finishes such as natural and man made solid surfaces, hardwood, steel, aluminium, glass, ceramics and decorative plastics.

DESIGNS & 3D RENDERS

Exterior and interior 3D rendering of commercial, retail and special projects. Complete scale floorplans.

OUR CAPABILITIES

Your project is our priority. It is our goal to ensure we deliver your project safely, on time, within budget and to the highest quality standard.

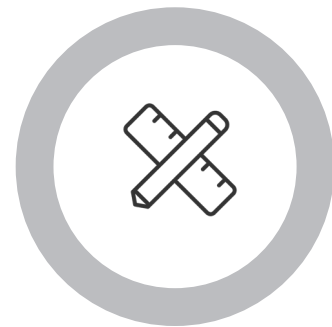

PROFESSIONAL TEAM MANAGEMENT

We work closely with you to achieve your project goals. Communication and transparency is key.

CONCEPT, DESIGN & PLANS

We can assist in the development of your plans, creating both 2D and 3D renders so you can see your design come to life.

PROJECT GOVERNANCE & ACCOUNTABILITY

We hold ourselves to a high standard and level of accountability through the project terms & conditions.

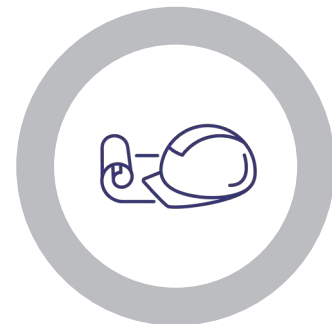

SITE FOREMAN & APPROACHABILITY

From the site foreman to the director, we will always remain approachable, open and transparent about your project.

PROFESSIONAL TRADES & CONTRACTORS

Our sub-contractors go through a strict selection process, all relevant licences, insurances and qualifications are assured.

SITE SAFETY & PROFESSIONALISM

We are strict about site safety and ensuring appropriate SWMS, work permits and on the job training is carried out appropriately.

OUR PROJECTS

Below are a few of our favourite projects...

CHIMICHANGAS CAFE FITOUT

The brief for this inside/outside cafe restaurant was to create a fun, mexican themed vibe. Works included: commercial kitchen fit out, custom joinery including mosaic counter, tile and laminate flooring, wall finishes, electrical, plumbing, painting and custom built doors.

GPT ESCALATOR WORKS LIFT IN - LIFT OUT

Our continuing partnership sees us completing varied projects throughout the centre, including defits, upgrades of amenities, removal and installation of escalators and lifts and complete fit out of retail and food premises.

SMAI RETAIL FITOUT & SHOWROOM WITH 3D RENDER DESIGNS

PLUSH SOFAS FITOUT

From brand new stores, to renovating existing fit outs, the Plush furniture stores are always an exciting project. The large areas consist of lighting, flooring, detailed joinery and project management; from floor plan design right through to project delivery.

THE FRATERNITY CLUB BISTRO FITOUT

Our precise management systems and staffing structure enabled the club to continue to operate through the refurbishment .

Works included; Defit of existing bistro, Fitout of 400sqm bistro area, detailed joinery, carpet and laminate flooring, wall finishes, electrical, plumbing, painting, commercial kitchen fit out, stainless steel.
